

# Discover The Bible Lands! A Biblical Journey—Israel

September 13–27, 2011 (2 weeks)

Host: Kay Money

Scholar Guide: Dr. Stephen Langfur

*Jeremiah 6:16 – Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls.*

**The Land itself is God’s visual tool to understanding the Scriptures within the context in which they were written!**

**Come with us as we walk the ancient paths of the Promised Land.** Together we will explore the biblical past, present and future.

**We travel through the ages up the Mediterranean Coast and on to the Galilee.** Here we abide four days to properly explore the rich sites of the northern region—and absorb the wonder of the Sea of Galilee as we walk in the footsteps of Jesus.

**Jerusalem...ahhh...Jerusalem!** We explore the Old City with its sights, sounds, spicy scents—with the people of the Land. Surrounded by her ancient past, we continue to David’s City, Hezekiah’s Tunnel and the Western Wall.

**The desert calls us to Masada, Ein Gedi, Qumran, and Jericho.** Our dear friends in **Bethlehem** wait for us too. Here we have the opportunity to give practical ministry “Living Lights.”

**After your journey to the Land everything will simply look different**—going from black and white to three-dimensional living color. Your spiritual life will take on new depth of understanding...beyond your greatest expectations!

**There are no other tours like DTBL!** Tours in preparation, scholarship and scope. This comprehensive experience in the Land equips the pilgrim with new practical and spiritual tools for richer study in the Word.

**Picture yourself in that Land and follow Joshua and Caleb in faith...come and possess your inheritance and see the Scriptures “come to life!”**

**Safety is always the first priority.** There will be no visits to unauthorized areas—nor will you be placed in any compromised situations. Tourism is essential for the Jewish and Arab peoples in the Land; the tourist is not a target. If an area becomes “restricted,” we simply change our plans to another site rich in biblical history!

**Carefully read the brochure for the complete itinerary and tour details.** Come and join us—for your trip of a lifetime... and discover your new HOME!

## Day 3 Thursday, Sept. 15 TO SEA OF GALILEE Region: Coast of Sharon, Jezreel Valley, Sea of Galilee

Visit **Caesarea Maritima**, including the site of the Herodian harbor, Pilate's house, and the stadium. Proceed to **Muhraka** ("Burnt Offering") on **Mt. Carmel**. (I Kings 18: Elijah and the Prophets of Baal.) **Lunch** We shall then drive to the caves of **Beth Shearim**, containing the ornate stone coffins of Jews from Talmudic times. We cross the country to the **Arbel cliff**, which affords a magnificent view from the west over the **Sea of Galilee**. The adventurous may climb down the face of the cliff with the help of cables affixed to the rock. Continue to our lovely lodging at the Sea of Galilee.

## Day 4 Friday, Sept. 16 SEA CIRCLE TRIP Region: Sea of Galilee

Today centers around the **Sea of Galilee** and the sites of Jesus' ministry. Visit **Capernaum**, then the **Mt. of Beatitudes** (Matthew 5-7), followed by the black basalt town of **Chorazin**. After lunch (optional St. Peter's fish) we shall view the remains of a fishing boat from Jesus' day. From here we shall spend an hour on the lake in a wooden boat modeled after the one we have seen. We shall end the day with **baptisms**.

## Day 5 Saturday, Sept. 17 MEGGIDO, SEPPHORIS, NAZARETH Region: Lower Galilee, Sea of Galilee

In the morning we drive to **Megiddo**. Here we shall explore the background of the prophecy concerning Armageddon (the hill (Ar) of Megiddo). Then on to **Sepphoris**, capital of the Galilee during Jesus' childhood and youth, only four miles from his home town. We continue to that home

town, **Nazareth**. After a visit in one of the town's churches, we drive up to a viewing spot, from which we see the site of the ancient village on one side and the **Jezreel Plain** and **Mt. Tabor** on the other. Return to our lodging at the Sea of Galilee. This evening we will go to **Tiberias** for jewelry and diamond shopping.

## Day 6 Sunday, Sept. 18 UPPER JORDAN Region: Upper Jordan, Sea of Galilee

Here we shall walk through the nature reserve at the headwaters of the **Jordan**, then visit the ruins, including the high place built at Dan by Jeroboam, son of Nebat (I Kings 12). We proceed to **Banias (Caesarea Philippi)**, recounting Peter's Confession (Matthew 16) at the foot of **Mt. Hermon**. Nearby at Kibbutz HaGoshrim we shall have a chance to experience the **Upper Jordan** in another way, letting its current carry us in rubber boats. (Some may prefer instead to use the kibbutz swimming pool for a fee.) We return to our lodging. This evening we will have a **candlelight service** on the shore of the Sea of Galilee.

## Day 7 Monday, Sept. 19 BETH SHEAN, JERICHO, DEAD SEA Region: Lower Jordan, Rift Valley

Depart to **Beth Shean** for an overview. Those who wish may climb the Tel and hear the story of Saul. Then continue on to **Jericho**, the world's oldest city, for lunch and a view of its ancient tower and walls. Travel beside the Dead Sea, 1400 feet below sea level. We continue to the Meridien Spa Hotel on the southwestern shore of the **Dead Sea**.

## Day 8 Tuesday, Sept. 20 NEGEV DESERT Region: Negev Desert

Today we head for the stark beauty of the **Negev**. We begin with a visit to **Tel Arad** to view the lower city and upper hill with its impressive Israelite temple and altar, including incense altars and two "standing stones." Return to our Dead Sea Hotel.

## Day 9 Wednesday, Sept. 21 DEAD SEA, JERUSALEM Region: Dead Sea and Jerusalem

Ascend via cable car to visit **Masada**, amid Herodian grandeur, and hear the story of the Jewish revolt against Rome. Next is a float in the **Dead Sea**. We then hike into the

David River at **Ein Gedi**. We proceed to **Qumran** and view a cave where the Dead Sea scrolls were found. Finally we ascend to **Jerusalem** for an orientation to the city from the **Mt. of Olives**. Lodge in Jerusalem.

**Day 10 Thursday, Sept. 22 JERUSALEM**  
**Region: Jerusalem**

We visit the original Jerusalem ("City of David"), with **Warren's Shaft** and the ancient water system. Those who wish will wade through **Hezekiah's Tunnel** to the newly discovered **Pool of Siloam (John 9:7)**. (Bring flashlights, bathing suits and footwear that will not slip off in the current.) Driving again to the top of the **Mt. of Olives**, this time in the morning light, we descend the traditional **Palm Sunday Road**, visiting the cave and **Garden of Gethsemane**. After lunch, we visit the Israel Museum with the Shrine of the Book. Here we will see the **Dead Sea Scrolls** and the **outdoor model of Jerusalem** (scale 1:50) as it may have looked in 66 AD, just before the Jewish revolt against Rome. The new archaeological wing of the museum should be open by this date; if so, we shall visit it as well.

**Day 11 Friday, Sept. 23 BETHLEHEM,**

Then we take time at one of the **Bethlehem shops**, famous for olive wood, jewelry and mother-of-pearl. We will also stop to renew ministry friendships at **Bethlehem Bible College**. We continue to the **ELCC** to view an **ancient home-cave** thus, giving us a deeper understanding of the stable environment in which Jesus was born. We make a brief stop to see **Solomon's Pools**. Return to Jerusalem. (We will be with another guide for this day's itinerary.)

**Day 12 Saturday, Sept. 24 JERUSALEM /**  
**Optional SHECHEM**

**You may choose one of two alternatives for this day.**

The first choices will include, in the **Nablus** area, the **Tel of ancient Shechem** (Joshua 24), **Jacob's Well** nearby (John 4), and the structure on top of **Mt. Ebal** that some archaeologists believe may be the **altar built by Joshua** (Joshua 8:30). Other possibilities, according to time and accessibility, include the top of **Mt. Gerizim** (ancient and present-day Samaritan settlements) and **Ahab's Samaria** (which became **Herod's Sebastia**).

## Geography/Topography – The Foundation

- Why is it *essential* to understand the Geography/Topography with its Tels, Wadis, and even soil composition, for clearer interpretation and application of the Scriptures?
- How does this knowledge give one a solid frame-of-reference for *all* Jewish and Middle Eastern societies, various cultures, politics, religions, and daily life – even for today?

## Culture – Jesus Was Jewish

- Why is it imperative to recognize the difference between ancient *HEBREW THINKING* and *GREEK THINKING*?
- What are the *Jewish Feasts* and why should one more fully comprehend their significance?
- What is COVENANT? What do the *Ancient Jewish Betrothal* and *Ancient Jewish Wedding* have to do with salvation? How are they illustrations for prophetic interpretations – and even answering the *eternal security* question?
- Why is it vital to identify the pagan religious system and their “gods” at the time the Children of Israel entered into the Promised Land – and continuing through the 1st Century (Jesus’ time)?
- Why is it important to clearly differentiate between the *political & religious groups* to whom Jesus (Yeshua) spoke?

## History – The End Result

- Since we have Biblical history, why do we need to know the Ancient Hebraic and Middle Eastern History?
- What is the *Christian fear factor* for the Jewish and Arab people today?

## Hebraic Roots – In The Christian Faith

- What do the Old Testament animal sacrifices have to do with the Christian faith?
- Why did Jesus (Yeshua) have to die for sin? Was it a random act or a continuation of a previous pattern?
- Do today’s events in the Middle East have any connection to the past?

## Sites of Israel – Ancient Voices Remain

- Why is it wise to have a visual and feet-in-the-Land experience?
- Why is it important to visualize the *regions* of the Land when studying the Scriptures?
- Why would I need to understand Jerusalem with its ancient and present Quarters and Temple Mount?

## The Olive Tree – God’s Metaphor

- How could the olive tree be so significant?
