

Discover The Bible Lands!

A BIBLICAL JOURNEY TO ISRAEL

HOST: Jennifer Lile

Come with us on the journey of a lifetime to the land of the Scriptures, experiencing the sights, sounds, smells and feel of the very places where prophets, judges, kings and Yeshua walked and talked.

Visualize the Biblical stories coming to life as we walk the ancient paths and discover the remarkable remains of bygone eras, straight from the Bible itself.

Enjoy the amazingly compact, yet diverse landscape of the Holy Land with its Mediterranean Coast, tropical Galilee region, arid desert and mountainous highlands. You will understand as never before, the integral connection between its unique geography and the unfolding of the Scriptures.

DTBL! tours are like no others in preparation and scope. In order to get the most from your Holy Land experience, comprehensive pre-tour sessions will equip you with the critical background necessary to absorb the richness of the scholarly teaching you will experience in the Land. With all DTBL! tours, safety is always the first priority. There will be no visits to unauthorized areas, nor will the group be placed in compromised situations.

From the stunning remains of Herod the Great's hippodrome at the Mediterranean Coast, to Abraham's Mount Moriah, the characters of the Bible and the context in which their stories occurred will come to life in vibrant living color, such that you will read Scripture with a new freshness, forever recalling each visual setting.

As we conclude our brief pilgrimage, do not be surprised if you find yourself longing for your next opportunity to visit your new "home."

- Why is it important to clearly differentiate between the political & religious groups to whom Jesus (Yeshua) spoke?

SITES OF ISRAEL – Ancient Voices Remain

- Why is it wise to have a visual and feet-in-the-Land experience?
- Why is it important to visualize the regions of the Land when studying the Scriptures?
